California Special

1968 Mustang California Special stored indoors for 21 years and then put back on the road in 2019. It's running, driving & registered in Oregon. Needs rebuilt transmission, leaking badly when sitting cold & starting to shift funny. Really straight body, needs paint. Really rare with Marti Report. Original J code 302 4V. Thousands of dollars in new parts. Text or leave message for more information. Mike [show contact info](#)
