I hate this too BUT... testing the waters out there in Craigslist land about the availability of buyers for a very rare car..... Most of you all know of the California Special from 1968.....but I have first hand knowledge of an extremely rare HIGH COUNTRY SPECIAL... ONE of 251 made in the 1968 Mustang coupe only. These are very rare and were made for the Denver Marketing area. The car is a low mileage vehicle here in Arizona. Call Gary at 480 792-0766 with any questions you have.480 792-0766...Pricing will be NORTH of \$33,000 and SOUTH of \$45,000 PS.. Marti report also

key words, Mustang, California special, rare, vintage, classic, High country special
